

Food Sites for Children in the Glades

Summer BreakSpot provides nutritious meals at no cost to children while school is out for the summer. There is no application necessary and any child age 18 or younger can come during meal times to receive a free meal. Many meal sites are located at places like schools, libraries and churches and offer breakfasts, lunches, snacks or supper. Note: not all sites are open daily or provide every meal service. Review the selected site details prior to visiting, and contact the site directly if you have any questions.
