

Make the decision to Mentor

Hello,

Happy New Year! We are celebrating National Mentoring Month and this is the perfect time for you to make that decision and become a mentor for Take Stock in Children. It is easy and so rewarding to impact a life of a high school student. They need us more than ever to keep them on track to reach their dream of going to college.

We have two training dates this month. We have an orientation on Friday, January 15th at noon or Wednesday, January 20th at 5:30 PM via Zoom. Please let me know if you can attend one of those sessions. Thank you for your time and support.
Take care.
