

## Community ID of the Palm Beaches

The Community ID of the Palm Beaches is for ANY resident who may have limited access to government issued forms of identification, and for those who support a diverse and inclusive community.

It is not a government issued form of ID or a driver's license, but it is a verifiable form of identification that says you are a part of our community. It can be used as a tool by law enforcement, city agencies, health centers, schools, and businesses to better identify, serve, and protect you.

### Your Community. Your ID.

- Photo Identification: (current or expired driver's license, national ID card, consular ID or other embassy ID, passport)
