Healthy Babies, Healthy Children, Healthy Life: A Symposium

When

Thursday, September 30, 2021
from 9:00 AM to 2:30 PM EDT

[Add to Calendar](#)

Where

Online Webinar

Are you a student or provider
in Palm Beach County?

[Email us](#) for your discount code now!

Dear The Glades,

It's the last day to register with early bird rates - 5 CEUs for only \$100! If you are a student, intern, or Palm Beach County nonprofit, email us for an additional discount, which means big savings.

Featuring distinguished speakers, the symposium will explore the impact of positive and adverse childhood experience across the lifespan and generations!

In partnership with [Healthy Mothers, Healthy Babies Coalition of Palm Beach County](#), the symposium includes:

- **Eugenia Millender, Ph.D.:** *Epigenetics and the Intergenerational Transmission of ACEs*
- **Veronique Mead, MD:** *Opportunities to Prevent, Repair and Heal Effects of Adversity in Early Life: Insights from Adverse Babyhood Experiences (ABEs)*
- **Nida Paul, LMHC, NCC; Stephanie De La Cruz, LMHC, RPT-S:** *Positive and Adverse Childhood Experiences (PACES) Impact on the Developing Brain, Resilience, and Lifelong Health.*
