Legal Aid Society of Palm Beach County, Inc.

Cajun Comeau
Department of Veteran Affairs

Randee Gabriel
211 Helpline Palm Beach and Treasure Coast

Cory Price
West Palm Beach VA Healthcare System

U.S. military veterans are some of our community's greatest heroes! There are more than 84,000 veterans in Palm Beach County and United Way of Palm Beach County is committed to helping those who have served our country overcome challenges transitioning from active duty. Veterans can find themselves underemployed, unable to access physical and mental health treatment, or struggling to maintain adequate housing. Nearly 50% of veterans who need treatment for mental health conditions seek it, and only 50% of those receive minimally adequate care.
