

The new Florida Veterans Benefits Guides are now available. We have shipped a supply to the County Veteran Service Officers and District Directors around the state. The guide is provided by the Florida Veterans Foundation. The guide can also viewed online at: <https://helpflvets.org/florida-veterans-resources/> and scroll down the page to see the link. [Please Share the link with supporters and veterans to let them know about this great resource.](#) On the same page is a link to all the county veteran service officers across the state that may help you locate them. I have a supply please contact me if you would like some for your organization.
