BLOOD DRIVE

"I am proud of the multi-gallon donors, and would be ecstatic if every eligible donor would join me in giving just one more time."

– Mayor Cretekos

Less Than
10%

38% of the population can donate blood—of that, **less than 10% actually do**. Blood cannot be manufactured. It can only come from generous blood donors. If every donor gave **just one more** time each year, there would be **no more blood shortages**.
