

Those who complete the survey will be entered into a raffle to win a gift card.

We're inviting you to participate in this survey because you're between the ages of 14 and 24 and live in Florida. The goal of this survey is to gather information about general health (including reproductive health) and the things that impact you, your family, and your community. Your participation is important as we want to learn what your needs are and how we can increase access to programs and services you may need in the near future. To keep things simple, the survey will only take about 5 to 7 minutes to complete. **The survey will close on November 12, 2023.** Also, if you complete the survey, you can participate in a raffle.

To access the survey, please click the following link: https://www.surveymonkey.com/r/Youth_2023Final
