3 Ways to Volunteer During National Volunteer Month

Be a Hunger Hero this Earth Day

**April 22 & 24
8:30am - 11:30am**

Come gleaning with us in celebration of Earth Day and National Volunteer Week! We will be gleaning produce in the Boynton Beach/Delray Beach area through our hunger relief partners at CROS Ministries. All of the produce collected will be distributed to our neighbors who need access to fresh, nutritious food.

Specific location information will be provided the week of the project. Please wear closed toe shoes, comfy clothes, a hat/sunscreen, and a mask.

Vaccine Distribution Support

Volunteer at one of the County's vaccination care sites. Tasks may include cleaning clip boards and pens, setting up vaccine site and/or take down at end of the day, moving chairs to support the elderly, directing crowd control, supporting patient flow to ensure social distancing, and answering questions as they come up.

We value that individuals want to volunteer during this time of need, however personal health and safety are always of primary importance. View the CDC guidelines for recommendation for age limits and health status when considering volunteering.

We've put together a Virtual Volunteer Bingo card made up of small tasks that can make a huge difference for local nonprofits and our neighbors.

Complete 5 boxes in a row and send it back to our team for a chance to win a United Way swag bag and an Amazon gift card!
