

Focus Group Flyer Promotion Request: Southeast Florida Behavioral Health Needs Assessment

Good morning Palm Beach County Partners,

As you may know, the Southeast Florida Behavioral Health Network (SEFBHN) and the Health Council of Southeast Florida (HCSEF), in partnership with all statewide Managing Entities and Local Health Planning Councils, are working to complete a comprehensive Behavioral Health Needs Assessment. An important part of this process is to gather the perspectives of residents within our Southeast Florida service area, including residents in the Glades region, Riviera Beach, and Palm Beach County in general.

As such, we are conducting **four virtual focus groups** (dates and times below; flyer attached). Each participant will receive a \$25 gift certificate as a token of appreciation.

- March 10, 2022: 12-1:30 PM
- March 14, 2022: 12-1:30 PM
- March 17, 2022: 5-6:30 PM
- March 22, 2022: 1-2:30 PM

We are reaching out to request your assistance with disseminating the flyer for the focus groups throughout Palm Beach County. Please see below and attached for some images and language you may share with your partners and across your social media platforms.

CALLING PALM BEACH COUNTY RESIDENTS! Help us improve behavioral and mental health services and understand the key related health issues by participating in one of our virtual focus groups! You will receive a \$25 gift card as a token of appreciation!

Thank so much for your assistance. Please reach out if you have any questions or if there is anything else we can provide.

All the best,
Carolina

Carolina Alcalá, M.P.H.
