Quick tips on reading with your child

As your child grows, you need to adapt your reading strategies. So what does that mean? When you first start reading to your baby, focus on the pictures. With young children, show them that words are everywhere to help build their vocabulary. For more helpful tips, expert advice and local resources to raise a strong reader, visit EveryParentPBC.org/reading and download the free [EveryParent app](#) to create your free family profile today:
