

Join the team at United We Dream, the largest immigrant youth-led community in the country. We create welcoming spaces for young people – regardless of immigration status – to support, engage, and empower them to make their voice heard and win!

With an online reach of over 2 million, more than 120,000 members as well as 55 local groups, UWD is made up of fearless youth fighting to improve the lives of our members and their families. Our vision is a society which celebrates our diversity and believes in a multi-ethnic, intersectional path to getting there.

Whether we're organizing in the streets, providing immigration services, building cutting edge technology systems, opening doors for LGBTQ immigrant youth, clearing pathways to education, stopping deportations or creating alliances across social movements, United We Dream puts undocumented immigrant youth in the driver's seat. UWD is a fast paced, dynamic organization which has become a leading voice in social change and has appeared in every major news outlet in the country.

We are driven by the priorities and needs of our members, have trained thousands of individuals and have supported countless local organizing groups. **Our grassroots driven approach has a proven track record of success and we're looking for talented folks to join our team!
