

Thank you for helping combat child hunger in Florida. Together, we have the power to drive real change and address the inequities that harm our communities.

Can you help us amplify this action by sharing the message below with your network? Simply forward this email or share this link to spread the word and inspire others to join the fight.

In solidarity,

The SPLC

Friend,

About 2 million students in Florida depend on school meals, but many families struggle to access summer meal programs. To combat child hunger, Florida must approve \$10 million in matching funds for the Summer EBT program in 2026, which would provide \$259 million in total federal assistance.

That is why we must urge our lawmakers to act in support of this program.

Will you join me in the fight to defend the 2 million families who rely on this critical program every year?

Thank you for all you do.
