Workplace Down - An Active Shooter Tabletop Exercise

The [Points of Light](#) is offering an opportunity for **Non-Profit, Community and Faith Based Organizations** to participate in an internet based exercise entitled [Workplace Down – An Active Shooter Exercise](#) on Thursday September 29, 2016.

This exercise will serve as an opportunity for the staff and management that make up an organization's workplace to work through scenario information and injects dealing with an active shooter incident occurring within the office.

This exercise is **FREE** and open to non-profit, community based and faith based organizations.

Access the [Workplace Down – An Active Shooter Exercise](#) web site for additional information and to register yourself along with your organization to participate in this engaging exercise.

BRACE for the Storm Workshops

Be Ready Florida presents the **BRACE for the Storm Workshop**.

The **FREE** internet based **BRACE for the Storm Workshop** is designed to provide information to homeowners on disaster mitigation techniques that can reduce damage to their homes from hurricanes and other disasters that threaten Floridians.

In addition, homeowners will learn how they can **save money** on the windstorm portion of their homeowner's insurance premium.

Register Now for one of the up-coming **BRACE for the Storm Workshops** listed below.

August 25 – 7:00PM ET	Register Now

Are Your Financially Prepared for a Hurricane?

Making sure you are financially prepared for a disaster before a hurricane strikes is important in protecting you and your family. That's why now is the time to review your homeowners', renters' or commercial insurance coverage with your insurance agent to ensure you have adequate coverage to rebuild or replace damaged property.

Florida residents are encouraged to review the Department of Financial Services' [Emergency Financial Preparedness Toolkit](#) for information on insurance coverage for homeowners and renters. prepare.
