Prime Time's Community Empowerment Program RFP 2022-2023 Application

Prime Time Palm Beach County seeks individual contractors or organizations who can deliver direct service programming to youth residing in Riviera Beach, Belle Glade, Pahokee and South Bay, with varied learning experiences through high-quality enrichment activities that are intended to supplement, not replace, existing out-of-school time programming. Promoting equity and diversity are important tenets of Prime Time's core values. To that end, we seek individual contractors or organizations that employ culturally competent professionals who understand that supporting children and youth's positive growth and development requires providing what they need when they need it. Providers that embrace equity, diversity, and inclusion allow all children and youth to develop to their full potential. Deadline: **Friday, July 29, 2022, at 5:00 p.m.** [Click here](#) to learn more.

FoundCare now offering adult primary services

FoundCare, a nonprofit Federally Qualified Health Center with centers located throughout Palm Beach County, is now offering adult primary care services at FoundCare's Greenwood Health Center Tuesday through Friday from 8 a.m. - 5 p.m. In an effort to begin providing quality healthcare services to Riviera Beach community members and the surrounding areas, FoundCare added adult primary care services to our Greenwood Health Center (previously referred to as PEDS North). This location will serve as a temporary medical home for Riviera Beach until construction for the new FoundCare health center is completed in 2024. The FoundCare Riviera Beach Health Center will be located along the Broadway Avenue corridor next to McDonald's, where statistics show there is a desperate need for a one-stop-shop medical facility. Additionally, the learning experience will educate professionals on how to scaffold clinical outcomes when working with children whose parents are struggling with a faith-based approach to healing. John Draper, Project Director of National Suicide Prevention Lifeline states that spirituality is the number one factor in supporting the prevention of suicide or aiding recovery from substance abuse. Moreover, during distress, mental crisis, or emotional uncertainty, many look to the church or faith-based organization for guidance. This training allows participants to build a strength-based approach with an affirmative lens regarding cultural aspects of faith in support of mental and human services.
