DIY DIGITAL PROJECTS

Wednesday, February 3
Available on demand on YouTube
Create at home or in the Digital Studios, 2nd Floor

The Digital Studios are open again and to celebrate the Tech Staff has put together two themed projects that you can try out at home or come into the library and use the Digital Studio equipment and pre-made templates to create something special.

This month's theme is Valentine's Day, so we will show you how to animate a simple Valentine's Day GIF and create a custom pendant for 3D printing.
