The Office of Community Revitalization (OCR) developed a partnership with Steve West, founder of The In-Crowd, a local nonprofit, to implement the Love Your Neighbor Program aimed at connecting neighbors among themselves with donors for the receipt and distribution of needed items and services.

The Board of County Commissioners presented a Proclamation declaring the week of February 13-19, 2022 as, "Love Your Neighbor Week". As a result of the many requests and extraordinary success from the week, the OCR expanded this community connection into the Love Your Neighbor Program.
