

The Nonprofit Chamber of Palm Beach County
For CEOs -- by CEOs

CEO Connections

CEOs of nonprofits often feel isolated and rarely have the opportunity to meet with their peers informally to get to know each other, share common issues, successes, concerns, and just talk.

We invite you to one of our informal get-togethers to do just that and you can select from any of the three below.

Space is limited to six per location, so RSVP as soon as possible.
