COVID-19 CONSTITUENT SERVICE RESOURCES TOOLKIT

NANCY PELOSI
SPEAKER OF THE HOUSE

INTRODUCTION

Our nation is facing one of the gravest health and economic emergencies in over 100 years. The coronavirus pandemic has had a deep impact on every aspect of American life – and bold action is required to address the health emergency, mitigate the economic damage and provide for a strong recovery.

Since the beginning of the epidemic, House Democrats have focused on ensuring our nation's response puts workers and families first: their health, their wages and their well-being.

We have already passed and signed into law three sweeping pieces of legislation:

- The Coronavirus Preparedness and Response Supplemental Appropriations Act
- The Families First Coronavirus Response Act
- The Coronavirus Aid, Relief and Economic Security (CARES) Act.

Together, these laws dramatically expand critical financial lifelines for families, establish new benefits and protections for workers, create new tools for small businesses to meet payroll and other expenses, and provide relief for students and schools.

This Families First Coronavirus Constituent Service Resource Toolkit will help you understand all the benefits that are available to you and your community – and how to access them.
