OVERVIEW OF JOB

Boys Town South Florida is seeking an In-Home Family Services Consultant based in the Glades area. Ideal consultant that lives near and is familiar with the Glades area (Belle Glade, Pahokee, South Bay, etc.). Provide services and assistance to struggling and troubled families. Like a coach working with individuals and a team, a supervisor motivates, guides, gives direction to the people he or she oversees you will provide in-home intervention to children and their families utilizing a skill based, solution focused model. Through the use of this model you will help families adopt positive solutions to problems through the teaching of parenting skills, independent living skills, behavior modification techniques, and accessing community resources and support.

Responsible for providing screening and assessment to determine program eligibility, as well as identifying specific areas to address in service plans when applicable. Maintain regular direct contact with families and be on-call 24/7 to provide crisis intervention. Monitor individual and family progress in attainment of predetermined goals. Provide regular review and updating of service plans to include preparing and submitting written reports to document all service plans, recommendations, and any incidents that arise.

As our In-Home Family Services Consultant you will work to develop and maintain effective working relationships with families and community service resources. Through providing

training and support in the development of skills and accessing of community resources, you will promote family self-determination. You will utilize your own vehicle to travel to various meeting destinations with families and children, which may include their home, school, or other community organizations. You may also become a certified Common Sense Parenting Instructor and be responsible for training the curriculum in a classroom setting. Overall, as our In-Home Family Services Consultant your goal is to improve the youth and family's social, emotional and behavioral well-being.

SCHEDULE

40 hours a week (20-25 hours a week of face to face time with families/ 5 hours of travel/10-15 hours documentation/consultation/meetings).

Hours and schedules may vary based on business demands.

Can include working up to 3-4 evenings a week.

REQUIRED EDUCATION, TRAINING, EXPERIENCE, OR SKILLS

Bachelor's Degree in the Behavioral Sciences or Human Services related field required

One to two years of experience working with children and families required

A valid driver's license with a good driving record, plus ability to provide own transportation and a valid auto liability insurance policy to complete travel requirements of the job required
