Hi Karis,

A step-by-step 2.5 hour workshop that arms each participant with the fundamentals on how to write an effective and winning business plan.

This workshop will be interactive, and each participant will perform a number of exercises that will assist him or her to develop their own winning business plan.

The workshop content will include the following:

- Why do you need a business plan
- What your business plan needs to include
- The importance of the Executive Summary & what must be included
- Making the plan shorter & more dynamic
- Suggestions on developing the required financial projections & making them realistic
- Critiquing a fictional business plan
- Reviewing a modified successful business plan
- The real truth about who reads business plans & how they evaluate them
- Review available templates to assist in preparation of your Business Plan
- Participate in an exercise to prepare a

Business Plan using a suggested model proven to be successful with banks, investors, and business managers.

Owning your own business is one of the classic American dreams; if you are committed to taking your new or existing venture to the next level, then having a winning Business Plan is essential, and this workshop will send you on your way to having a Plan tailored to your individual needs, and not one based on some generic template.

Looking forward to seeing you at this event.
Sincerely,

Irene Dec
