About the Film

A Path Appears, from the creative team that brought you the groundbreaking series *Half of the Sky: Turning Oppression into Opportunity for Women Worldwide*, is a three-part series which aired on PBS as part of the highly regarded **Women and Girls Lead** initiative.

The Department of Justice estimates that there are 300,000 children at risk of being trafficked into sexual slavery in the U.S. In the first episode of *A Path Appears*, we meet the survivors behind these shocking numbers, and illuminate the widespread existence of this violent crime taking place across America.

After the film, there will be a guest speaker from the Human Trafficking Coalition of the Palm Beaches followed by a brief Q&A session that will address the human trafficking issue here in South Florida.
