

Good Afternoon,

Our friends at Mounts Botanical Garden are teaming up with Community Greening for a free tree giveaway event and they wanted to share this opportunity with all of you! The details are listed below.

Thanks!

Noelle

June 3

Free Tree Giveaway with Community Greening

Saturday, 9:00 am to 11:00 am

No registration required; first come first served

Community Greening is teaming up with State Farm and the Arbor Day Foundation, to pass out FREE TREES on Saturday, June 3rd starting at 9 am in the Mounts Botanical Garden Parking Entrance parking lot. This will be a Walk-up Tree Giveaway, passing out 140 native and fruit trees. The Tree Giveaway will begin at 9am. Trees will be passed out on a first-come, first-served basis, with a limit of two trees per household (1 fruit tree). No residency restrictions – open to everyone. <https://communitygreening.org/event/state-farm-tree-giveaway/> [communitygreening.org]

Community Greening (CG), an urban forestry non-profit based in Palm Beach County, has quickly expanded throughout South Florida. CG works with local residents & organizations to improve the environment and community by planting trees and transforming urban green spaces. Since our founding in 2016, CG has planted over 12,000 trees with more than 6,000 volunteers of all ages, via tree giveaways and plantings in public parks, schoolyards, residential yards, and urban orchards from West Palm Beach to Deerfield Beach. Community Greening was named the "SE Partner of the Year" by the US Fish & Wildlife Service, and received the prestigious "Spirit of Arbor Day" award from the Arbor Day Foundation.

We hope you stay and take a walk in the Garden after you get your tree and Mounts will have a staff member there to keep your tree in a shady spot, from 9 am until noon, so you can check out our Stickwork fort and walk the Garden; regular admission rates apply. Please visit <https://www.mounts.org/events/2023-6/mounts.org> for more information.
