## Library to Go Moves to Westgate Recreation Center

**Palm Beach County Library System moves the book vending machine,  
*Library to Go*, to a new location.**

On May 12, 2025, at 10:30 a.m., the Palm Beach County Library System will hold a ceremonial ribbon-cutting at the new location for the *Library to Go* book vending machine.

Previously located at the Robert Weisman Governmental Center lobby, the new home for the *Library to Go* is the Westgate Recreation Center. The machine is centrally located in the gymnasium building, 3691 Oswego Avenue, West Palm Beach, 33409.

With several schools in the area, a steady flow of families, and the beautiful park surrounding the gym, the library is excited to see books reaching our residents in this conveniently located venue.

Similar to a vending machine, Palm Beach County Library System cardholders can borrow new and popular books for all ages from this device. In addition, members can return any library materials to the *Library to Go* cabinet by using their library card.

Library Director Douglas Crane is thrilled to welcome guests to the new location ribbon cutting. "We're very excited to have the *Library to Go* be an extension of our services to the Westgate community."
