

SAVE A LIFE

JOIN US FOR A LIFE SAVING TRAINING

This hands-on training, led by the Palm Beach County Fire Rescue team, equips participants with life-saving skills to respond to severe bleeding emergencies. Participants will learn how to recognize life-threatening bleeding and apply critical interventions, including direct pressure, wound packing, and tourniquet use. Designed for non-medical professionals, this training empowers individuals to act quickly and confidently until first responders arrive.

Friday, February 27, 2026

Time

10:00 AM - 11:30 AM

Location: PBC Library, Wellington Branch

1951 Royal Fern Drive
Wellington, FL 33414
