Council Update: Council proclaims July as Summer Learning Month

New middle school afterschool program

Its not too early to start thinking about back to school! 211 Palm Beach compiles a list of back-to-school events for families and students (K-12) in Palm Beach County. These events provide free back-to-school resources like backpacks, school supplies, physicals, immunizations as well as fun, family activities to kick off the new school year. [Click here](#) to view the list and check back for updates and new events added. Some events require pre-registration.

School may be out, but learning should never stop. Summer learning loss - or what's sometimes called "summer slide"- results in one of four Palm Beach County kindergartners, first-graders and second-graders coming back to school with a drop in reading proficiency. Summer learning loss also is greater among lower-income children. That's why Children's Services Council of Palm Beach County proclaimed that July will be Summer Learning Month. To learn more, [click here](#).

Lake Worth West Resident Planning Group, Inc. will be offering a new Middle School Afterschool Program for youth in grades 6th through 8th. This is a free program thanks to the support of the Impact 100 Grant. If you are interested in enrolling your middle school student, [click here](#) to complete the registration form and drop it off to the Lake Worth West Resident Planning Group at 4730 Maine Street, Lake Worth. For more information, call 561.649.9600.

BLOG: Music boosts learning potential

They say music is medicine for the soul. We use it for inspiration, traditions and celebrations. We sing in the shower and dance in the kitchen. Certain songs can bring us back to moments in time and remind us of our greatest memories. Whether you love rock, classical, Latin or jazz, people of all ages around the world experience a universal

response to music. [Click here](#) for ways that music can enhance your child's happiness and learning potential. For more local tips and expert advice, create a profile on EveryParentPBC.org - your parenting resource in Palm Beach County.
