Dear Parents, Guardians, Caregivers, and Advocates:

The Early Learning Coalition of Palm Beach County provides financial assistance for child care and early learning through [Florida's School Readiness Program](#).

If you or someone you know needs help to pay for child care costs, please encourage them to submit an application by [clicking this link](#).

Currently, there are waivers in place that relax the requirements for applying services. **These waivers expire in June.** The waivers allow:

- Individuals who are unemployed and seeking work to submit an application, or;
- Individuals who have seen a decrease in the number of hours they work each week can submit an application.

**Now is the time to apply.** Some parents may not be aware of these waivers and think that they do not qualify for assistance. It is important to submit an application and our family support services team will make the determination of eligibility upon review of all the required documentation.

***IMPORTANT! PLEASE READ!***

**If you do not apply, you may lose out on the opportunity to receive the assistance that you may need.**

**The waivers are active for a limited time, so please apply today.**
