A Word from Our Director of Program Services, Marilyn Schiavo

Greetings Mentors,

A quick reminder, if you are a mentor with a student at one of the "club" schools, please check with them to see if they received a no-show letter. That means they haven't attended a lunch or after school meeting to date. If so, please encourage them to fulfill their Take Stock in Children/JS requirements. Club Schools include: Village Academy, Santaluces HS, Glades Central HS,

Palm Beach Lakes HS, Forest Hill HS, Lake Worth HS, Jupiter HS, William T. Dwyer HS, John I. Leonard HS and Palm Beach Gardens HS.

Thank you for your dedication to your mentee.

Kindest Regards,
Marilyn Schiavo

Mentor Spotlight

Joyce Tucci

"Children are my heart, blessed to have 3 of my own. My first daughter joined Girl Scouts in 1977; I joined as a leader. With 30 girls, I loved every meeting for 7 years. In 1980, at the age of 31, I attended Nursing School full time. My career brought me to working private duty, with the jail, and the Juvenile Detention Center.

In 1993, Florida became home. I worked with Hospice, Profoundly Developmental Delayed, Drug and Alcohol Rehab and

finally Palm Beach County School District as a School Nurse, the job of my dreams. Elementary, Middle and High Schools students would steal my heart.

Retirement arrived quickly! Abbe, a teacher at Lake Worth High, encouraged me to investigate Take Stock in Children as a Mentor. My first student seemed very distant which was a new experience for me. We finished her requirements. Approximately a year later, I received a shocking phone call to get together, we had a great time at lunch and she said, I will always be her Mentor!
