

THE FRIDAY 5

FIVE WAYS STUDENTS, STAFF, AND THE COMMUNITY ARE SHINING THIS WEEK.

IT'S YOUR TIME TO SHINE, PALM BEACH COUNTY!

April 1, 2022

1. IN THE KNOW

Watch In the Know with the director of Exceptional Student Education to learn about the critical services available to students of all abilities.

April is Autism Awareness and Acceptance Month. April 6 is also Paraprofessional Appreciation Day. We thank our dedicated paraprofessionals who work hard to help students learn and achieve!

In the Know Info

Choice lottery results for the 2022-2023 school year are being released today after 3 p.m. [Access results here.](#)

Mark your calendar for Take Our Daughters and Sons to Work Day on Thursday, April 28.

Find local scholarships for college.

2. IN THE DISTRICT

Your chance to join the conversation about the next Strategic Plan

The District is nearing the final stages of developing its next five-year Strategic Plan. Parents, staff, and community members are encouraged to take a few minutes to share feedback on the four themes identified as being integral to the Strategic Plan. **[Click here to access the four surveys.](#)**

3. IN THE SCHOOLS

Teaching is a dream job for North Grade K-8 teacher

As a child, Shanice McKenzie-Burke would teach her toys the lessons that she had learned that day at school. That practice paid off because she now has a classroom of her own at North Grade K-8 in Lake Worth Beach and she was nominated to be this week's Thank a Teacher winner.

[Watch the surprise.](#)

Student recognized for welcoming new classmate

Being a new student in a new country can be a difficult experience, but making a friend can ease the transition. That's what Benjamin De la Fuente recently did for a new classmate at Panther Run Elementary near Wellington.

[Read why this student earned recognition through the District's Character Now! program.](#)

4. IN THE COMMUNITY

Building the workforce one Lego block at a time

The First Lego League Regional Championships at Palm Beach Gardens High School included teams of students from 22 schools. **See how the participants are gaining skills in computer science, engineering, collaboration, problem solving, and more through this experience.**

5. IN THE NEWS FEED

The steel drum band at Gove Elementary School provides students even more than the chance to learn a musical instrument. **Hear from the band director about how the program is a springboard for future opportunities and success.**

Click here to find out how the 2018 voter-approved referendum supports music and arts education in schools.
