

Good afternoon,

This email shares important information about registering for the 2025 Back to School PBC! event. Please help spread the word to children and families in your communities by sharing this information and posting it on your website and social media platforms. This will ensure families know how and where to register for free school supplies, backpacks, and other community resources.

As in the past, registration is by invitation only. Eligible students must complete their registration at www.backtoschoolpbc.org before **May 1, 2025**, to participate in the event. Registration through our office for free participation requires students to reside in one of our designated Countywide Community Revitalization Team (CCRT) areas or in any mobile home park in unincorporated Palm Beach County (Please click here for the flyer. Please click here for all eligible CCRT areas. Please click here for all eligible mobile home parks. **If a student who registered last year receives an error that they do not qualify this year, please contact the organization they registered with last year for assistance**).

To register, parents or students should go to the above website, and enter code **PBCOCR**, the parent's email address, and the parent's cell phone number. Registration is available in English, Spanish, and Creole, and can be completed online via a PC, tablet, or smartphone. A confirmation email will be sent upon registration.

The event will take place on **Saturday, July 26, 2025**, before the start of the 2025/26 school year. Locations across the County include South, Central, North County, and the Glades. In addition to the backpacks and school supplies, participating students may receive haircuts, school uniforms, sneakers, socks, blood tests, biometric health screenings, vision, dental and hearing tests, and other services and resources, depending on location and resource availability.

If you have a questions regarding registration or need assistance with the portal, please contact the OCR at ocrnews@pbc.gov. For additional help, you can reach George Schott, OCR Information Management System Specialist, at GSchott@pbc.gov. *Para asistencia en Español, por favor contacte a Cleidy Anchelia, OCR Planning Technician, a través de email a CAnchelia@pbc.gov*. Thank you in advance for helping us spread the word about the registration and assist those who need us the most!

With Gratitude,
The OCR Team
