

Thanks to an Environmental Justice Grant from the EPA, Community Greening has teamed up with the PBC Office of Resilience to hold multiple Free Tree Giveaways in the Glades region over the next few years!

Our second Free Tree Giveaway will be held on Saturday, January 25th at 10am at Shiloh Missionary Baptist Church in Pahokee!

Glades community members can come out to Shiloh Missionary Baptist and take home two FREE trees to plant in their yard!

There will be options of both Florida native shade trees and fruit species. Trees will be passed out on a first-come, first-served basis, with a limit of TWO trees per household (1 fruit tree max).

Species Options:

Native Trees: dahoon holly, lancewood, Simpson's stopper

Fruit Trees: avocado (super haas), mango (tbd), starfruit

MUST BE A PBC GLADES COMMUNITY MEMBER TO RECEIVE A TREE (includes cities such as Belle Glade, Canal Point, Lake Harbor, Pahokee, South Bay – only PBC Glades members)

All trees come in 3-gallon containers and come with planting guides and species information. Trees need to be planted in the ground (they will not thrive in a pot/planter). Species and times subject to change.

The EPA Environmental Justice Grant aims to increase tree canopy throughout Belle Glade, Pahokee, and South Bay by hosting three Free Tree Giveaways and three Tree Planting events each year in the area year for the next three years.
