referrals in the systems of care designated to address behavioral health concerns.

Please join us for a valuable information session with Lindsay Slattery-Cerny, MSW, Regional Suicide Prevention Specialist, from Florida Linking Individuals Needing Care (FL LINC Project) on how to connect people to mental health resources within our community.

Learning Objectives

- **To enhance knowledge and skills of social service professionals, care coordinators, case managers, and wraparound specialists.**
- **To build a community safety net for those at-risk for suicide and mental health issues.**
- **To know the alliance for resource utilization, partnership building and networking.**

Lunch will be provided!

This is a **FREE** workshop. Please register as soon as possible.

Seats are limited.
