Learning how to play Roulette

Our first annual Alumni/Mentor event was fantastic! The food was delicious; it was fun to learn how to play poker, roulette and other casino games. The silent auction was a big success. Check out video [HERE!](#)

### Great Give: Our Mentors Gave \$8,000!

Mentors, your passion and dedication to our program is an incredible thing to see. During the Great Give online fundraising campaign on April 24, our mentors donated more than \$8,100 of the \$9,700 raised for our students. That money is matched dollar-for-dollar by the Florida Prepaid Foundation to go even further to purchase college scholarships for low-income students in your community. THANK YOU! We appreciate your giving hearts and your time with your mentees!

### Please Support Our Ranking

We recently earned the "Platinum" level status on GuideStar, an organization that connects donors and grant makers to Non-profit organizations. Funders use this to view transparency of non-profits. We need your help in gaining positive reviews: [Link to Guide Star](#)

Danielle has volunteered with Take Stock in Children, an organization that supports at-risk students in public schools, for six years. During that time, she's mentored two high school students in Palm Beach County. One is now in college, and the other is about to graduate and go to college next year. She also serves as the Chair of the organization's Mentor Engagement Committee.

*"We are so thankful for her passion and leadership. She's always the first to step up and be a part of change."*
