**No Matter Whether You're A Small or Large  
Nonprofit - Legislative Advocacy Is Essential!  
Hear From Legislators past and present about what  
constitutes advocacy and how best to get your  
message to those who count!**

**This is a crucial piece of our Legislative Advocacy  
Project in which we present our priorities to  
legislators later this year!!!!**

---

**Former Rep. Mark Pafford  
will lead the discussion.**

Mark Pafford, now the CEO of Florida CHAIN, will offer insights and explain what legislators respond to best in the way of advocacy from nonprofits.

He will be joined by other government leaders to explain what constitutes a statute, the process of enacting or changing one, what information you must provide when asking for change whether it be statutory or budgetary or both!
