### **COLLABORATIVE AND COLLECTIVE IMPACT PRESENTED BY MICHELLE BALAUN**

**April 28, 2016 2:00 pm - 4:00 pm No cost**

Conventional wisdom says that scaling social innovation starts with strengthening internal management capabilities. However, real social change happens when organizations go outside their own walls and find creative ways to enlist the help of others. Organizations, who are all working toward common social outcomes can achieve more significant, positive, sustainable impact if they work together rather than in their separate silos. Learn about the essential pillars for organizations to enable collaborative change. How can you, as a leader, apply these foundations to create meaningful change in your own organization?
