

HHA and CNA Jobs Available

Thanks for helping my home health agency to hire great care givers. Non-medical job duties include helping the elderly and disabled with: cooking, bathing, dressing, transferring, toileting, light housekeeping, companionship/socialization, etc. We are hiring licensed Home Health Aides (HHA) and Certified Nursing Aides (CNA) who have the following qualities:

- Reliability – showing up on time is important to the individual
- Excellence – they have a desire to provide excellent care
- Love and Compassion – they will bring love and joy into the home of every client
- Flexibility – must be willing to accept a 2-3 hour shift. Hours can increase quickly for excellent caregivers.

The candidate must have reliable transportation and the ability to pass a national criminal background check. Our pay range is \$9 - \$11 per hour for HHAs and \$10 - \$13 per hour for CNAs.

We are hiring throughout the County, but are especially looking for caregivers in the Belle Glade/Pahokee area. Thank you.
