The banner features a red background with white text. The main title is 'Applying a Health Equity Lens to Environmental Issues: Lessons for Community Health Planning and Facility Sustainability Strategies'. Below the title, the date and time are listed: 'Tuesday, December 7, 2021 | 12:30 - 2:00pm CT'. On the right side of the banner, there is a red box with the text 'REGISTER NOW' in white. Below this, the logos for ACHI, ASHE, and vizient are displayed.

Join ACHI and ASHE for this interactive conversation sponsored by Vizient on how hospitals are addressing the differential impact of environmental factors on the communities they serve. After a keynote presentation by Jeff Thompson, MD – a pediatric intensivist and neonatologist, executive adviser, and chief executive officer emeritus at Gundersen Health System – participants will join breakout rooms to hear from panelists about leading practices that hospitals and health systems can integrate into their existing community health and sustainability strategies.
