ONLINE SAFTEY: A PARENT'S GUIDE

Presented by CILO

07.16.2020, 12-1pm

Join us for an informative presentation on online safety! With youth online now more than ever, it's important to be aware of the risks the internet poses for youth. Learn risks of popular social media platforms, how to identify risky behavior and victimization, how to respond when an online safety incident occurs with your child, how to teach youth online safety skills, resources, how to report, and more!
