

A Message from the President

Dear Leadership Palm Beach County Family,

Noel Martinez, our fantastic Executive Director, is leaving LPBC to pursue a terrific career opportunity. We appreciate all that Noel has accomplished in so many ways with our organization and wish him all the very best for continued success.

We are currently looking for a new leader to advance LPBC's vision and mission. The position is now posted, and we are eager to get the search underway. We have assembled an excellent selection committee, and they stand ready to work diligently in the coming weeks to make the best choice for LPBC, its alum and our community.

Please take a few moments to think about the outstanding leaders in your circle of friends and associates and ask them to visit to see the position qualifications. Chances are that you or some of those leaders have the unique skills and experience needed for this position. Please pass this message on to them.

The application deadline is Monday, September 9.

Thank you, as always, for your contribution to LPBC's success.

Sincerely,
Robi Jurney
2019-2020 Board President
