Good afternoon,

We hope your new year is off to a great start! As you may know, [Hope Florida](#) partnered with [Unite Us](#) to help streamline referrals and has identified your organization as a priority partner in the community. We would love to have you attend our Hope Florida Partner webinar tomorrow to learn more.

During this session, you'll hear from Hope Florida and we'll share how Unite Us is helping to connect Floridians to services across the state. Our team will be conducting a platform demonstration and will answer any questions you might have! We strive to connect fellow community organizations, faith-based partners, stake-holders and service providers to support all Floridians. *Best of all, there is no cost for community based organizations to join Unite Us.*

**Date:** Wednesday, January 22nd

**Time:** 1:00pm EST
