May 22-23, 2019 Palm Beach Convention Center West Palm Beach, Florida  
Presented by the Florida Chamber Foundation

## Florida Chamber Foundation's Florida Business Leaders Summit on Prosperity & Economic Opportunity

Join business and industry leaders as well as elected officials and community voices as we analyze a path to prosperity for each of Florida's zip codes. We will also discuss best practices around the state, how they can be replicated and more. Conversations will also focus around 10 topic areas that the Florida Chamber Foundation's research shows are part of the conversation of prosperity: Jobs, Education, Housing, Transportation, Health & Wellness, Food Security, Child & Family Care, Safety, Justice and Community Agency.

Don't miss out on adding your voice to the conversation.
