

Good morning!

There was an error in the previous email regarding the date for mandatory in-person training. The correct date is Friday, January 20th with two sessions to choose from.

Volunteer registration is now open for our annual 2023 Point in Time Count! There will be a **mandatory** in-person training on Friday, January 20th with two sessions to choose from: 10:00 am to 12:00 pm and 1:00 pm to 3:00 pm. The training will take place at the Vista Center- 2300 N. Jog Rd. West Palm Beach, FL 33414 in room 58. It is very important that you attend this training even if you have participated in past PIT counts. We will be doing things a little differently this year and we want to make sure that if there is any problem with your device we are able to identify it there before you are in the field.

The link to register is posted below. Please register as soon as possible to ensure we have enough shirts for all of our volunteers in the correct sizes and to secure the location that you desire.

If you have any questions please don't hesitate to ask!

Happy New Year to you all!
