Undecided about your future?

Want to learn more about nature?

Work for PBC ERM and learn about "green" jobs!

Palm Beach County Environmental Resources Management (ERM) is offering paid summer mentoring internship for those interested in getting first-hand experience working to preserve, protect, and enhance Palm Beach County's land and water resources.

Green Futures Internship

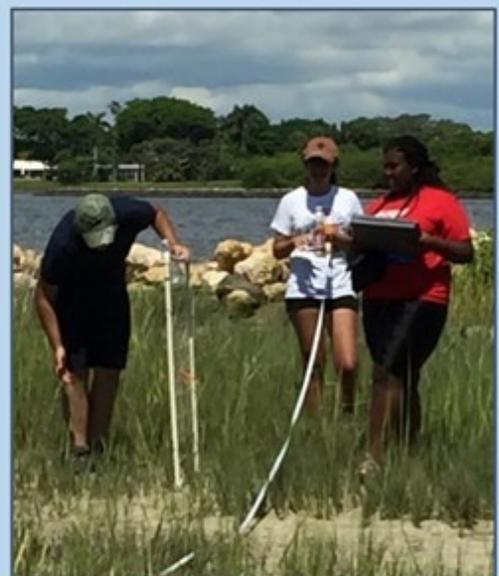

TIME FRAME: June 10 - July 19, 2024
Monday – Friday 9am – 4pm

REQUIREMENTS: 17 – 22 years old; able to work outdoors in extreme heat; able to maintain footing on boats, in water, and in heavy vegetation and mud; able to lift 40 pounds; able to sit for long periods of time and walk for long distances; able to give final presentation on internship experience.

JOB DETAILS: Work will be inside and outdoors assisting ERM staff performing compliance inspections, plan review, environmental sampling, laboratory work, environmental monitoring, and producing educational, marketing, and social media content. Tasks may include carrying equipment, collecting biological samples, taking pictures and video, documenting data, removing invasive and installing native plants, operating graphic design and photo/video software, and general office work such as data entry, filing, copying, and scanning.

Prospective candidates should submit a resume to scorr@pbcgov.org by April 25, 2024.

Please contact Samantha Corr with Palm Beach County ERM at (561) 233-2455 scorr@pbcgov.org to submit your resume or if you have any questions.
