Overview

The 12th Annual Future of Medicine Summit of the Palm Beach County Medical Society will showcase the impact medicine has had in the last 100 years. We will take a look into the innovations and advancements in Medicine as well as the new reality of health care delivery. We will explore the social responsibilities in health care and focus on our responsibilities to our community. We will wrap up the Summit by speaking on the joy in medicine and what can be done to build innovation and train the healthcare team of tomorrow.

Who Should Attend?

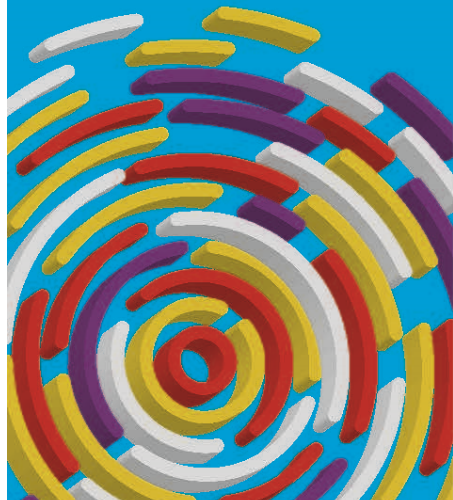

Staff that will benefit from this event include: medical doctors, physician assistants, nurses, chief
