

Food for Florida Open for Pre-Registration

The Disaster Web Site for Food For Florida has opened for preregistration for Palm Beach County. This is only for people who are NOT currently receiving Food Stamps. This is just registration, they will still need to follow up and go to one of the parks where we will be running the program to complete the process. The locations are on the upper left side of the web page under Site Locations. They would have to go to the sites in their county.

The park sites, including Glades Pioneer Park in Belle Glade, will run from 10/17-10/21. There is a link to the application from the site location.
