

Mentors Needed. We hope we can count on your support.

Take Stock in Children has two mentor training sessions in October for you to become a mentor and be part of a great organization changing lives and giving hope for the future. The training dates are October 7th at noon or October 14th at 5:30 PM via Zoom.

All mentoring this year is virtual via Zoom or Google Meets or our Mentor App.
Mentor your high school student once a week at least 3 times for month for 20 minutes
Our students need extra support more now than ever. We hope we can count on you.

Let me know which training session you can attend and remember to complete an application online at www.takestockpalmbeach.org and submit. Thank you for your time and support and I look forward to hearing from you. Take care.
