Many of the services we provide in our offices are also available online. Visit [www.mypalmbeachclerk.com](http://www.mypalmbeachclerk.com) to learn how you can:

- [Pay a traffic ticket](#) online or by phone;
- [Electronically record](#) mortgages, deeds and other official records;

- [Postpone your jury service](#).

As this situation continues to evolve, my leadership team and I are working diligently with our Palm Beach County government and justice partners on our response to coronavirus. Should coronavirus require any changes to our daily operations, we will share news on our website at [www.mypalmbeachclerk.com](http://www.mypalmbeachclerk.com), through our [Facebook](#) and [Twitter](#) channels, and by email alert.

Stay safe! We are here, working hard to ensure you continue to receive the exceptional service you have come to expect.
