

Hello! I want to share with you a few of the logistics of the CTE programming that will begin on August 31st. Please note that students are to pre-register now at <https://tinyurl.com/WestTechEdCtr>.

Adult General Education

ABE, GED, and ESOL will begin virtually on August 31st! Cost: \$30 registration fee which can be waived in select circumstances.

Medical Sciences

HHA - English will begin virtually on August 31st and end on November 20th. It is 165 hours in length Monday - Friday from 9:00 am to 12:00 pm. Students will be scheduled in small groups to come into the school for face-to-face skills training and testing. Max enrollment: 20 Cost: \$790

HHA - Spanish, a new course offering for WTEC, will be available for Spanish speakers. Instruction as well as the instructional materials will be in Spanish. Please promote within the Spanish speaking population. This program will begin virtually on August 31st and end on November 20th. It is 165 hours in length Monday - Friday from 9:00 am to 12:00 pm. Students will be scheduled in small groups to come into the school for face-to-face skills training and testing. Max enrollment: 20 Cost: \$790

Phlebotomy - English will begin virtually on August 31st and end on December 3rd. It is 165 hours in length Monday - Thursday from 5:00 pm to 8:30 pm. Students

will be scheduled in small groups to come into the school for face-to-face skills training and testing. Max enrollment: 20 Cost: \$875

Commercial Vehicle Driving

CDL Class A training program is hybrid in nature which includes 160 hours of online instruction and 160 hour classroom, range, and road. Program entry requires the students to have a Class A Permit and DOT Approved Exam/Medical Card. Students MUST have availability to attend class Monday - Friday morning, midday, and evening in 4 to 8 hour consecutive blocks of time. Total program length is 6 weeks. A maximum of 6 students can be enrolled in a cohort. The cost of the program is \$6,731.

Trades

HVAC, Welding, Carpentry, Plumbing, Electrical will begin in a hybrid model on October 26th and end on June 30th. It is an 8 month program that will meet on Tuesdays and Thursday from 6:00 pm to 9:30 pm. Students will attend in alternating days in groups of 10 face-to-face skills training and testing. Each program will enroll a maximum of 20 students with the exception of Welding which will enroll a maximum of 40 students. Cost: Free

Please contact me, Mrs. Jackson-Rease, or Mrs. Gooden if you have questions concerning AE CTE programming at WTEC.
