## ***Criminal Justice Commission Announces its Expanded 43rd Citizen's Criminal Justice Academy***

The Palm Beach County Criminal Justice Commission (CJC) will host its 43rd Citizen's Criminal Justice Academy from September 27th through November 29th. For those who have always been curious about law enforcement and the criminal justice system, the academy provides an opportunity to get involved and learn from experts. The eight-week program, free to all residents living in Palm Beach County, runs on Mondays from 6:00 to 9:00 PM. Local, state, and federal law enforcement professionals will provide lectures, tours, and demonstrations.

The program includes sessions with personnel from the Palm Beach County Sheriff's Office (PBSO) and other local law enforcement agencies. This year's expanded program includes cybercrime, homeland security, a demonstration of police body cameras, and opportunities to see various high-tech equipment.
