FINFROCK breaks ground in The Glades

Last week, the design-builder and manufacturer, FINFROCK, broke ground on a 140,000 sq. ft. facility in Belle Glade. This is an exciting project for our community that will bring a combination of 200 manufacturing and administrative positions. I am excited to see the economic stability and growth this nationally recognized company will bring to our community. As FINFROCK begins to settle in, my office will be working closely with them to ensure all potential employees have access to appropriate training. Stay tuned.

Dr. Robert Rease, District 81 Aide in our Belle Glade office, attended FINFROCK's ground-breaking and welcomed our new neighbors.

Governor signs bill to block social media companies from de-platforming political candidates

This past week, the Governor signed a bill aimed at limiting the decision-making authority of private businesses. Overall, the new legislation blocks tech companies, such as Facebook, Twitter, YouTube, and the like from suspending
